SUMMER DAY CAMP INFORMATION

A PARENT ORIENTATION MEETING WILL BE HELD IN THE GYMNASIUM ON SATURDAY, MAY 20 FROM 10:30-11:30 AM. PLEASE COME TO MEET THE STAFF, REVIEW POLICIES/PROCEDURES & ENJOY A TIME TOGETHER OF FELLOWSHIP AND REFRESHMENTS.

- The James Island Presbyterian Foundation sponsors a fun-filled, action-packed summer day camp for children in rising grades 1-5 during June 5-August 16, 2017.
- The summer day camp is limited to sixty-five (65) campers each session.
- Campers may enroll in one (1) week long session or as many sessions as desired. Sessions run Monday to Friday. We do not provide part-time enrollment.
- The summer day camp operates from 9:00 AM – 4:00 PM, Monday-Friday. Early morning (7:00 AM – 9:00 AM) and late afternoon (4:00 PM – 6:00 PM) child-care is available at no additional cost.
- Due to field trips that are scheduled each day of the week, it is important that campers be at our center by 9:00 AM. The camp will not be responsible for providing transportation for late arriving campers to field trip destinations.
- Campers will begin and end each program day on our campus. The summer day camp will operate from the gymnasium building/fellowship hall of the James Island Presbyterian Church.
- Camp enrollees will go on several field trips throughout the week. In addition to field trip destinations like bowling, water parks, ice skating or movies, we also enjoy the beautiful resources throughout our community at places like our county or municipal parks and historic sites. Campers will be transported using our two (2) 30-passenger buses or two (2) 15-passenger buses.
- There will be times during the week when all campers go on the same field trip and other times when there are age-segregated activities and/or field trips. All field trips, however, are age-appropriate. A schedule of field trips is prepared each week and is available a few days prior to a new session.
- Campers will receive one (1), free James Island Presbyterian Summer Day Camp t-shirt & a water bottle during their first registered session of the summer.

- The safety of our campers is one of the key priorities of our program. During all activities, from swimming to bowling, attention is placed on supervising the campers and insuring a safe environment. A roster of campers is prepared and reviewed for every vehicle on every field trip. Life jackets and safety instructions are a part of every kayak outing. First aid kits are housed in the vehicles and portable first aid kits are taken on all field trips. The majority of staff members are seasoned summer day camp counselors with CPR and first aid certification.
- Each morning will begin with an assembly period including a short devotion or story and sharing of announcements/concerns. Campers will be exposed to Bible stories/songs and value clarification exercises throughout the summer, including 'Camp Sonshine' each Monday morning. At the very heart of day camp is the recognition of the unique beauty of God's own creation and a desire to be a part of it, to enjoy it, and to experience something of the Creator in this setting. The focus in our day camps is the person. The aim is to raise the quality of each camper's relationship with self, with others, with our environment and with our God, as we know Him. Our camp's achievement is significant if the camper has grown as a person through the summer experience of the James Island Presbyterian Summer Day Camp.
- Campers should bring a snack, lunch and beverage (labeled water bottle) to camp every day. Please do not bring "microwavable" foods.
- Campers are expected to exhibit acceptable, respectful behavior on and off-campus as well as in the buses. Campers who do not respond to corrective behavioral measures and continue to engage in disruptive or unsafe behavior will not be allowed to participate in the balance of the day's activities. In certain circumstances, parents may be asked to remove the child from the program for the balance of the day. In extreme situations, campers may be asked to leave the program for a specific period of time or the balance of the summer.
- The JIP Summer Day Camp is housed on the campus of the James Island Presbyterian Church located at the intersection of Fort Johnson and Folly Roads. The 5-acre campus includes a full-sized gymnasium, fenced-in playgrounds and spacious classrooms in the education building.
- The James Island Presbyterian Foundation is a private, non-profit organization that sponsors the summer day camps, child-care center, after school programs, Closet Treasures Thrift Store, Lowcountry Pastoral Counseling Center, migrant family services, James Island Mission House and other community outreach ministries (www.jamesislandpresbyterian.org).
